Bingo 101 is a multiplayer bingo and arcade app rather than a card or slot game, with real-cash bingo rooms and quick mini-games. The social, room-based play makes it stand out in a market dominated by rummy and slots. New players receive a signup credit to join paid rooms.

Live bingo rooms

Join multiplayer rooms where everyone plays the same draw for a shared prize pool.

Room prize pools

Entry fees pool into the pot, paid out to line and full-house winners.

Quick UPI cashout

Winnings settle to UPI without a separate withdrawal gateway.

Bingo 101 — frequently asked questions

Each paid room collects entries into a prize pool that is split between line and full-house winners.

Bingo rooms are the core, but the app also has quick arcade mini-games that use the same wallet.
