Boss Rummy sits in the Rummy group of our directory with a welcome headline of up to â‚¹450 and a listed file of 36 MB. Directory coverage is 2 of 3 (rummystores.com, allyonobonus.net).

Boss Rummy is presented as a 13-card rummy lobby, so the rules you already know apply; the unknowns are the cash terms, not the card game. Inside the Boss-named group (2 listings) its ceiling ranks 1, so the name alone does not tell apps apart. A second listing helps compare Boss Rummy, but both pages could repeat the same promotional copy.

The headline for Boss Rummy is up to â‚¹450 (level with the Rummy median of â‚¹450; rank 10 of 30). That ceiling is a promotional figure for Boss Rummy, not a promise of what is credited.

Withdrawals start at â‚¹100 on the listing; payout routes mentioned: UPI, bank transfer.

Boss Rummy lists 36 MB, lighter than the 44.5 MB median for Rummy listings, and asks for Android 5.0+. Listed version: 1.0.1 . Freshness shown for Boss Rummy: Sep 24, 2026 (date label on allyonobonus.net).

For Boss Rummy, start by confirming who is offering the file. A page offering Boss Rummy that names nobody, borrows an icon or shows a countdown tied to a â‚¹ reward is a warning sign. Our download-source guide walks through the checks to run on Boss Rummy before you open it.

Once Boss Rummy is installed, revoke the unknown-source permission you granted and remove the downloaded file.

Closest matches in our directory, including same-name siblings: OK Rummy (the same headline, 3.3 MB larger); Game Rummy (the same headline, 2 MB smaller); IND Rummy (the same headline, 2 MB smaller). Compare the terms of Boss Rummy side by side with its neighbours rather than trusting a brand name.

Boss Rummy may suit rummy players who already know the 13-card rules and set a weekly â,[1] limit first. Anyone chasing losses, anyone under 18 and anyone who cannot verify the publisher should leave Boss Rummy alone.

The listing names version 1.0.1. If the file you receive shows a different version on first launch, treat that as a different build of Boss Rummy.

Two of the three directories we compare have a page for Boss Rummy. They can still disagree on the bonus or the file size, so read both before treating either figure as settled.

Figures come from public listing snapshots we re-check. They are advertisements, not a payout we watched.
