Download Diwa Rich APK for Android

Diwa slots and crash game app led by a VIP promotion: weekly and monthly bonuses, up to 200% on a first deposit, ₹288 invites.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Diwa Rich is a slots and crash game app whose pitch fits in one line from its own page: "The more you play, the more you get." Shared on WhatsApp or Telegram, its official page shows a preview card titled "VIP PROMOTION" that lists a ₹5,000 weekly bonus, a ₹10,000 monthly bonus, up to 200% on the first deposit and ₹288 daily for inviting one friend. The page itself writes the name as DiwaRich and opens with a gold slot reel stopped on red 777. It is one of the newest Diwa apps, from November 2026.

None of those amounts comes with written rules, which shapes everything below: getting the Diwa Rich APK from the official page, what each VIP figure can realistically mean, the signup credit of around ₹197, withdrawals from ₹100 and the real support handles.

Diwa Rich APK Download From the Official Page

Google Play and Apple's App Store do not list the app, so each Diwa Rich download begins at the official page.

On Android:

- Tap our Download button at the top of this page. It opens the official DiwaRich page on diwarich.win (the same page as diwarich.vip) in Chrome, with an invite ID in the link.
- Check that the tab reads DiwaRich, the gold 777 reel logo sits at the top and the header says "The best money-making game APP".
- Tap the download button fixed to the bottom edge of the screen. Arriving this way, the green Download & Claim button, GET IT NOW and TO WIN save the APK as well.
- Open the saved APK from Chrome's Downloads list.
- If Android blocks it, allow Chrome to install unknown apps in your phone's settings.
- Tap Install, open the app and register. If the install prompt names some other app, cancel and delete the file.

When the download starts, the page copies the invite ID to your phone's clipboard, which is how the app links a new account to the invite. Open the app soon after installing and avoid copying anything else in between. Typing diwarich.vip yourself also works, but there only the bottom button saves the file; the middle

buttons load the browser (H5) version.

On an iPhone , every button opens the H5 version in your browser; there is no file to install.

On a computer , the icons on the right of the page include a QR code button. Its code leads to the plain page, so on Android it is better to tap our Download button on the phone itself.

If Android answers with "App not installed", see our App not installed guide ; our Yono APK download guide shows where the unknown-apps switch hides.

Registering and the Signup Credit

Apps of this type normally register you with your phone number and an OTP sent by SMS. Enter your name exactly as your bank or UPI app shows it, since a mismatch can hold up payouts later.

The details table near the top puts the signup bonus at around ₹197, an approximate figure that may differ from one player to another. It arrives as bonus money, to be played through before you can withdraw it. For missing OTPs or sudden logouts, see our login problems guide .

Diwa Rich Bonus Offers: The VIP Promotion in Detail

The VIP promotion is what sets Diwa Rich apart, yet the official page prints no rules for it: no level table, no qualifying deposit, no play-through terms.

Weekly and monthly VIP bonuses

VIP schemes in apps like this usually climb as your recharges or bets add up. With no level table shown, read ₹5,000 a week and ₹10,000 a month as the top of the scale; a fresh account may see a small part of that, if anything.

Up to 200% on the first deposit

At the full rate, a ₹500 first deposit would bring ₹1,000 of bonus money, but "up to" allows lower rates on other amounts, and no maximum is named.

₹288 daily for one invited friend

The card does not say whether the friend must only register, recharge or keep playing, or for how many days the ₹288 is paid. Offers like this often depend on the friend's own deposits, so treat ₹288 as the best case. Another card adds that "the more friends you invite, the bigger the bonus", up to ₹10,000.

Daily rank rewards and the jackpot

The top banner announces "cash Daily Rank Rewards: ₹27,777", which reads as a prize pool for the players highest on a daily leaderboard, usually ranked by amount wagered. It also shows "Jackpot over ₹5,000,000" (50 lakh rupees), and one card mentions more than ₹3,000,000 "per round": shared pools with no published odds.

Expect each bonus to come as bonus money with a wagering (play-through) target. Before paying in, ask live chat how much must be wagered, by when and on which games, and screenshot the reply. Our Yono bonus guide works through what wagering does to a headline figure.

The HOT GAME Row: Chicken Road, Aviator and Power of the Kraken

Three titles lead the official page's "HOT GAME" row:

- Power of the Kraken: the largest tile, in the centre, marked "NEW SLOT", with artwork of a horned green sea creature.
- Aviator: a red plane's multiplier climbs until the plane flies away at a random moment. Cash out first or the stake is gone.
- Chicken Road: a chicken crosses a road lane by lane. Each lane it survives raises the multiplier, and you decide when to collect.

Partly hidden behind them sit a jungle slot with a raccoon-like character, a jewel-themed slot flashing a 15X "Super Win" and a slot built on Aztec treasures. The Hindi share text claims hundreds of popular classic games.

One badge names a "Random Number Generator". If one truly decides results, no round can be predicted from the last, which is why paid "signal" groups and Aviator predictors fail; the hacks and tricks guide has the detail. Before playing, set a spending limit using our responsible gaming page . Our list of Yono slots games has more reel-based apps.

Is Diwa Rich Real or Fake?

A working official page stands behind the name, loading on three addresses with an Android download button and six channels of its own. The missing piece is a track record: an app from November 2026 has no long history of paid withdrawals, and much of its page is sales talk:

- "the biggest gaming app in India": the footer's claim, hard to square with an app this new.
- The security card: "100% safe and secure transactions" and a "zero fraud guarantee", with no word on who guarantees anything.
- The badges: trusted users, "Fair Play Policy", a company certification and a withdrawal badge, none linked to a certificate or audit.

None of that proves the app fake, but only a small test of your own can settle it. Our real or fake guide has a checklist for new apps.

How to tell the genuine DiwaRich page

- Logo: a gold reel with red 777 and a lever, the name in gold letters, an Indian tricolour ribbon and ".COM", all on black.
- Address: diwarich.vip, diwarich.win, or diwarich.com (which forwards to diwarich.vip).
- Header: "The best money-making game APP".

Skip any site with another logo, its own "latest version" number or an install fee.

The legal position

The footer limits the app to states "where permissible by extant law", but since 1 May 2026 your state no longer decides it: under the Promotion and Regulation of Online Gaming Act, 2025, offering online money games or advertising them is an offence anywhere in India. Banks can block payments to such apps, and no Indian licence, regulator or compensation fund protects players. Our legal guide has more.

Diwa Rich Customer Care and the Two "Rick" Handles

Customer care for Diwa Rich runs through the icons stacked on the right edge of the official page; there is no phone line or email.

- Live chat: diwarichchat.com. The headset icon's link is mistyped ("htttps://"), so type the address into the browser yourself.
- Telegram: an invite link to the app's own channel.
- WhatsApp: a channel for updates, which you can read but not reply to.
- Facebook: DiwaRichcom.
- Instagram: diwarick_com.
- YouTube: @DiwaRick_Official1.

"Rick" in the last two handles looks like a slip, but the official page links to them, so those accounts are genuine; check any other look-alike handle against the page. A "Diwa Rich helpline number" in comments or search results is a scam, and real support never needs your OTP or UPI PIN. Our customer care guide exposes these fake helplines.

Deposits, Withdrawals and the ₹100 Minimum

The up to 200% match applies to your first deposit, made inside the app. Withdrawals start at ₹100, but check the current minimum on the withdrawal screen. The page states no payout time. Before a first Diwa Rich withdrawal:

- Finish the wagering on every bonus you accepted.
- Check that the bank or UPI account carries your profile name.
- Request a small sum near the ₹100 minimum.
- Save the order ID and send it to live chat if nothing arrives within a day.

Our withdrawal guide explains the payout statuses you may see.

Problems You May Hit, and the Fix

If the app refuses to open at all, our app not opening guide lists what to try next.

- A VIP scheme with weekly and monthly bonuses, plus up to 200% on the first deposit

- Chicken Road, Aviator and the Power of the Kraken slot on the front page
- Three ways in: APK on Android, browser play on iPhone, a QR code from a computer
- Live chat and five more official channels, all linked from the page
- No written terms for the VIP, deposit, invite or rank rewards
- No payout track record yet, as the app dates from November 2026
- Claims like "zero fraud guarantee" cannot be checked
- Playing for money is banned in India by the 2025 online gaming Act

Diwa Rich Verdict: Who It Suits

Diwa Rich is aimed at slot and crash game players who like rewards that grow with play. That is also the catch: the VIP bonuses, rank prizes and ₹288 invite offer all reward volume, and none has published terms. If you try the Diwa Rich app, get the terms from live chat in writing, start with the smallest recharge and wait for a ₹100 withdrawal to reach your bank before adding more. What You Need to Play Diwa Rich

Check your phone before you download the Diwa Rich APK. These are general recommendations for Yono apps, not official figures from Diwa Rich.

Diwa Rich FAQs (Frequently Asked Questions & Answers)

Our details table puts it at around ₹197, an approximate figure that may differ from player to player. It is bonus money, withdrawable only once its play-through target is met.

The share card shows ₹5,000 a week and ₹10,000 a month under "VIP PROMOTION" with no levels or conditions. Treat both as the top of a scale that rises with play, paid as bonus money.

Type diwarichchat.com into your browser for live chat, or use the official page's Telegram and WhatsApp links. With no phone line or email on record, any "Diwa Rich helpline" number is fake.

The name has a genuine official page behind it: diwarich.vip loads, has an Android download button and links six channels. Being from November 2026, it has no payout record yet, and the "zero fraud guarantee" is unproven. Let a ₹100 withdrawal land in your bank before depositing again.

For cash play, no. India's Promotion and Regulation of Online Gaming Act, 2025 prohibits online money games, cash slots and Aviator-style crash games included, with its rules in force from 1 May 2026.

- Important Legal Notice

India's Promotion and Regulation of Online Gaming Act, 2025 bans offering, advertising and processing payments for all online money games. Its rules came into force on 1 May 2026, and some states restricted these games even earlier. Check the law that applies to you before you download or deposit. Read our legal

What Players Say About Diwa Rich

See why players choose Diwa Rich through real experiences from our growing community.

I start with the game list. Diwa Rich highlights Aviator and lists the listed games in the lobby, so I would check the exact table and rules before choosing a game.

On Diwa Rich, the page lists ₹197 signup bonus. I would read the eligibility, play-through and withdrawal conditions before treating the bonus as usable balance.

For cash-out planning, Diwa Rich lists a ₹100 minimum withdrawal and support through Live chat, Telegram, WhatsApp, YouTube, Facebook, Instagram. I would confirm KYC and processing details before adding funds.
