Download Goa Spin APK for Android

Beach-casino themed spin app with slots, spin wheels, a signup bonus and ₹100 UPI withdrawals.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Goa Spin borrows its name from India's casino state, and its lobby is built for quick rounds: slots and spin games you can finish in seconds. It belongs to the Spin family of Yono apps alongside Yes Spin and Spin Winner , and gives new players a signup bonus of around ₹211.

Below you will find how to get the latest Goa Spin APK link, how spin games actually pay, and how bonuses and withdrawals work.

What Is Goa Spin?

Goa Spin is an Android APK, so you install it from a download page rather than the Play Store. After a mobile number and OTP signup you get one wallet for every game. The lobby centres on slots and spin-style games. Payouts go to UPI or a bank account.

How Spin Games Pay

Spin apps feel simple, but two numbers decide how a session goes:

On a bonus balance, low-volatility games at a small stake give you the most spins and the best chance of finishing the wagering with something left.

How to Download Goa Spin APK

- Tap the Download button near the top of this page.
- Open the link, check the Goa Spin name and logo, and download the APK.
- Allow installs from your browser if Android warns you.
- Install the APK and launch Goa Spin.
- Register with your mobile number and OTP, then claim the signup bonus.

Goa Spin Bonus

New accounts get around ₹211 as a signup bonus, and the amount can vary by player. It is bonus balance with a wagering rule. Use it on games you understand and keep stakes low until it is played through. Our Yono bonus guide explains the numbers.

Goa Spin Withdrawals

The minimum withdrawal is ₹100 to a UPI ID or bank account in your name. Ask for a small amount the first time and keep the order ID until it arrives. If it does not, see our withdrawal guide .

Is Goa Spin Safe?

Install Goa Spin only from a trusted link, never share an OTP or UPI PIN, and prove that a ₹100 withdrawal works before depositing more. The app is not licensed in India, where real-money games are banned under the Promotion and Regulation of Online Gaming Act, 2025. Our real or fake checklist has more checks.

- Slots and spin games in one lobby
- Signup bonus of around ₹211
- UPI withdrawals from ₹100
- Fast games drain a balance quickly
- APK install only
- Real-money gaming is banned in India

What Players Say About Goa Spin

See why players choose Goa Spin through real experiences from our growing community.

I start with the game list. Goa Spin highlights Slots games and lists the listed games in the lobby, so I would check the exact table and rules before choosing a game.

On Goa Spin, the page lists ₹211 signup bonus. I would read the eligibility, play-through and withdrawal conditions before treating the bonus as usable balance.

For cash-out planning, Goa Spin lists a ₹100 minimum withdrawal and support through the support options. I would confirm KYC and processing details before adding funds.
