Download Diwa X APK for Android

Diwa series slots app with a crown logo, a free signup bonus, ₹100 withdrawals and live chat support.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Diwa X wears a gold crown and a green X on its logo, and its pitch is short: play the most popular slots, take a free bonus and withdraw fast. The official site adds a line we see across the newer Diwa apps, "earn daily rewards while you play". The Diwa X APK is a compact slots app for players who already know how the Diwa wallet works and want a fresh lobby of reels.

This page shows where to download it, what the signup bonus of around ₹157 involves, how withdrawals work and what to watch out for.

What Is Diwa X?

Diwa X is a Diwa series Android app installed as an APK from diwax.vip, its official website. There is no Play Store version. The site offers a direct download, a QR code for scanning from another screen, and an 18+ notice.

Accounts are tied to your mobile number. One wallet covers every game, and withdrawals go to UPI or a bank account. Help comes from three official places: live chat on diwax.diwasupport.com, the diwax_official Telegram channel and a WhatsApp channel.

Watch Out for Diwa X Lookalikes

Because "Diwa X" is a short, popular name, plenty of pages use it in their web address or logo. Some only promote the app, others offer their own copies of the APK. Before you install, check three things:

- The download comes from the official Diwa X site or the Download button on this page, not a file forwarded in a chat.
- The installer shows the name Diwa X with the gold crown logo.
- Nobody asks for a fee, an OTP or a UPI PIN to "activate" your account.

How to Download Diwa X APK

- Press the Download button at the top of this guide to reach the official Diwa X site.
- Tap download and wait for the APK to save.
- Allow your browser to install unknown apps if Android blocks the file.

- Open the APK, tap Install, then launch Diwa X.
- Sign up with your mobile number and OTP and claim the signup bonus.

Install errors are covered in our APK install error fixes .

Diwa X Bonus

Diwa X advertises a free bonus for new players; expect around ₹157, though the figure can vary by player. It is credited as bonus balance, so wager it under the app's rule before any winnings from it can be withdrawn. On a slots app this happens quickly, which is exactly why it pays to keep stakes small while you learn the games. The Yono bonus guide explains the maths.

Diwa X Withdrawals

The minimum withdrawal is ₹100. Use a UPI ID or bank account in your own name, finish any wagering first and keep the order ID. If the payout is late, message live chat with that ID. Our withdrawal guide has the details.

Is Diwa X Safe?

Diwa X has an official site and support channels, but it is not licensed in India, and real-money slots are banned under the Promotion and Regulation of Online Gaming Act, 2025. Deposit only what you can afford to lose, and test a ₹100 withdrawal first. See our real or fake checklist .

- Slot lobby with daily rewards
- Free signup bonus for new accounts
- Live chat, Telegram and WhatsApp support
- Popular name with many lookalike pages
- Slots use up a balance quickly
- Real-money gaming is banned in India

The Verdict on Diwa X

Diwa X suits slot players who like the Diwa style and want a simple lobby. If you prefer jackpots, compare it with Diwa Ok , and see all Diwa games for every app in the series.

What Players Say About Diwa X

See why players choose Diwa X through real experiences from our growing community.

I start with the game list. Diwa X highlights Slots games and lists the listed games in the lobby, so I would check the exact table and rules before choosing a game.

On Diwa X, the page lists ₹157 signup bonus. I would read the eligibility, play-through and withdrawal conditions before treating the bonus as usable balance.

For cash-out planning, Diwa X lists a ₹100 minimum withdrawal and support through Live chat, Telegram, WhatsApp. I would confirm KYC and processing details before adding funds.
