How do I download and install En 365

- Click the download button : Click the ‘Download En 365 APK’ button at the top of the page, and the system will automatically start downloading the installation package.
- Allow installation from unknown sources : If this is your first time installing a third-party app, please go to ‘Settings’ → ‘Security’ on your phone and enable ‘Allow installation from this source’ (some phones will

prompt you to do this automatically during installation).

- Open the installation package : Once the download is complete, locate the APK file in your notification bar or file manager, then tap to begin installation.
- Complete installation and registration : Once installation is complete, open the app and register using your mobile number to claim your ₹100 welcome bonus.

How to log in to En 365

- Open the En 365 app and tap the ‘Log in’ or ‘Sign Up’ button.
- Enter your mobile number and tap ‘Send OTP’.
- Enter the verification code you received via text message into the app to complete the login process—no need to remember a password, making it quick and convenient.
- Once logged in, we recommend that you complete your KYC verification (submit your Aadhaar card, PAN card and link your bank account) as soon as possible to ensure smooth withdrawals later on.

En 365 Withdrawal Rules

In the En 365 app, the minimum withdrawal amount for users is ₹200. This threshold is designed to safeguard players’ funds whilst also catering to the needs of those making smaller transactions. Please note that only funds won through gameplay can be withdrawn; bonus balances cannot be withdrawn directly and must be used for further betting, although any funds won whilst playing with the bonus can be withdrawn as normal.

Withdrawal requests are typically processed within 1–3 hours; however, in the event of payment system delays, this may take up to 24 hours. Should a withdrawal fail, the funds will be automatically returned to your wallet account within 24 hours. We recommend that you first check your ‘Transaction History’; if the funds have not been credited after 24 hours, please contact our Customer Service Centre at any time for assistance.

En 365 is a comprehensive online entertainment platform offering a wide range of games, including lotteries, slot machines, sports betting and live casino games. Operated by a team of professionals and utilising an RNG that meets international standards to ensure fairness, the platform provides a safe and reliable entertainment environment for players in India.

New users will receive a ₹100 welcome bonus upon registration, with no deposit required. Once you have successfully registered, the bonus will be automatically credited to your gaming account. In addition, the platform regularly runs promotions such as ‘Double First Deposit’ and ‘Daily Lucky Draw’; join our Telegram group to be the first to hear about them.

You can choose your favourite game type:

- Lottery: Select your numbers and stake, then wait for the results.
- Slot machines: Spin the reels and match symbols to win prizes.
- Sports betting: Browse popular events (cricket, football, etc.), predict the outcome and place your bet. You can view the specific rules in the ‘Help’ section within the app.

En 365 supports all major Indian payment methods, including UPI, Paytm, PhonePe, Google Pay and bank transfers. Deposits are credited instantly, whilst withdrawals can be made via UPI or to a bank account.

You must complete KYC verification (by submitting your Aadhaar card, PAN card and linking a bank account) before making a withdrawal. The minimum withdrawal amount is ₹200. Only funds won through gameplay can be withdrawn; bonus balances cannot be withdrawn directly, but funds won using bonuses can be withdrawn as normal.

En 365 holds a valid operating licence and strictly adheres to Indian regulations governing online gaming. All game outcomes are generated using a certified random number generator (RNG), and SSL encryption technology is employed to safeguard user data and funds. Please note that the platform is restricted to users aged 21 and over. We urge players to gamble responsibly, comply with local laws, and use the platform only in regions where it is permitted.
