On the directories we compare, IND Club shows up as a Yono Clubs listing: up to â‚¹450, 34.5 MB, Android 5.0+. It appears on 3 of the 3 directories we read: rummystores.com, alldiwa.com, allyonobonus.net.

The listings describe IND Club as a club-style lobby of fast rounds. Short rounds make it easy to spend more than you planned on IND Club. Inside the Ind-named group (3 listings) its ceiling ranks 1, so the name alone does not tell apps apart. Three directories (rummystores.com, alldiwa.com, allyonobonus.net) carrying IND Club makes it easier to cross-check, though they may all repeat one source.

Up to â‚¹450 sits level with the Yono Clubs median of â‚¹450, ranking 14 of 27 in Yono Clubs. A mid-range headline like up to â‚¹450 for IND Club can still hide a turnover multiple, so look for it on the offer screen.

Withdrawals start at â‚¹100 on the listing; payout routes mentioned: UPI, bank transfer.

Before you register on IND Club, decide your deposit limit in â‚¹ and write it down. Sign-up is described as phone-number based, with the welcome headline of up to â‚¹450 for IND Club. Identity checks: Quick registration, with ID/bank verification normally asked when you first cash out. Keep a copy of the IND Club terms screen so you can compare it later. Payouts are described as UPI, bank transfer. Whatever route you pick in IND Club, the account holder name should match the name you registered with.

IND Club lists 34.5 MB, lighter than the 42 MB median for Yono Clubs listings, and asks for Android 5.0+. The listings show version 1.1.1. Last-updated field on the IND Club listing: Oct 13, 2026 (date label on allyonobonus.net).

Apps like IND Club are often re-uploaded by third parties, so the first check is the host of the file, not the app name. Our download-source guide lists the steps for checking the IND Club file.

Afterwards, turn off unknown-app installs for that browser and clear the IND Club APK (34.5 MB) from Downloads.

Other Ind-named listings and close matches by category: Diwa VIP (the same headline, a similar file size, minimum Android 5.0+); Jaiho 91 (the same headline, 47.5 MB larger); Maha Games (the same headline, 5.4 MB smaller). Differences in size or headline say little about payout speed for IND Club, which none of the listings document.

IND Club may suit people curious about quick-round lobbies who can walk away after a set amount. Skip IND Club if you cannot afford to lose the deposit, feel pushed to keep playing, or cannot find out who publishes it.

Facts on IND Club are compiled from public listings read on 2026-10-15; confirm them on the publisher page.
