## What is Goa Spin

Goa Spin is a premium slot gaming platform originating from Goa, India's only state where gambling is legal, seamlessly blending the unique gambling culture of this coastal state with modern mobile technology. Building upon the legal framework of the Goa, Daman and Diu Public Gambling Act 1976, the platform brings Goa's world-famous 'floating casino' experience to your mobile device, allowing you to experience the unique sense of freedom and excitement of the swaying floating casinos on the Mandovi River, wherever you may be.

Goa Spin collaborates closely with internationally renowned game providers, and all game outcomes utilise an authoritatively certified Random Number Generator (RNG), ensuring every spin is fair and impartial. The platform not only captures the geographical roots of Goa as India's gambling mecca but also infuses every slot game with the unique atmosphere of good fortune that defines the 'Goan spirit'. Without needing to visit Goa in person, you can experience the true charm of the 'Land of the Sea' on Goa Spin, embarking on your own floating gambling adventure anytime, anywhere.

## Goa Spin Withdrawal Rules

On the Goa Spin app, the minimum withdrawal amount is ₹200. This threshold is designed to safeguard the platform’s funds whilst also catering to the needs of players making small withdrawals. Please note that only funds won through gameplay can be withdrawn; bonus balances awarded by the platform cannot be withdrawn directly and must be used to continue playing, although any funds won whilst using these bonuses can be withdrawn as normal.

Withdrawal requests are processed via the dedicated ‘Goa Express’ channel and are typically completed within 30 minutes to 2 hours, which is significantly faster than the industry average. In the event of bank system delays, the process may take up to 24 hours. If a withdrawal fails, the funds will be automatically returned to your gaming wallet within 24 hours. We recommend that you first check the status in your ‘Transaction History’. If the funds have not been credited after 24 hours, please contact our Customer Service Centre at any time for assistance.
