Download Jeet Spin APK for Android

Spin-series slots app with Aviator and Teen Patti, two welcome bonuses and live chat support.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Jeet Spin is the latest Spin-series app to join our list, from the same line as Yes Spin , Jaiho Spin and Slots Spin . Its official page opens with "Join in Jeet Spin!" and promises "365 days of non-stop cash drops". The Jeet Spin APK unlocks a lobby of 60+ games where slots and Aviator share space with Teen Patti, rummy and quick table games, and cash outs start at ₹100.

The name trips a lot of people up. A search for Jeet Spin also throws up JeetBuzz, Jeetwin and other brands that use the word "Jeet", and none of them is this app. Everything below is about Jeet Spin from the Yono family only: how to install it from the official page, what its two welcome bonuses involve, how withdrawals work and which channels really belong to it.

What Is Jeet Spin?

Jeet Spin is an Android gaming app that you install as an APK file from its official website, because it is not listed on the Google Play Store. "Jeet" is the Hindi word for a win, and the branding leans into it with the line "Jeet Non-Stop!" on its share card. Under the name it behaves like other Spin apps: you register with a mobile number, keep one wallet for every game, receive a welcome offer in two parts and withdraw to a UPI ID or bank account.

The official page talks about "an array of exciting games, including slots, Rummy, Teenpatti, Aviator, and more". Its game tiles show Rummy, Teen Patti, Texas Poker, Domino, Ludo, Dragon & Tiger, Andar Bahar and 7 Up Down, and the headline count is "60+ games".

Jeet Spin Features

- Two-part welcome offer: about ₹147 when you sign up, then a bonus on your first recharge.
- 60+ games: slots and Aviator up front, with Teen Patti, rummy and fast table games alongside.
- Cash drops: the official page advertises "365 days of non-stop cash drops".
- Cashback: listed on the official page among its reasons to play.
- ₹100 minimum withdrawal to a UPI ID or a bank account.
- Five official channels: live chat on a support site, a Telegram channel list, a WhatsApp channel, Facebook and Instagram.

Jeet Spin Is Not JeetBuzz or Jeetwin

Several gaming brands put "Jeet" in their name. JeetBuzz and Jeetwin are separate companies with their own websites and apps, and they have nothing to do with the Yono family or with this guide. If a page asks you to pick a sports market or shows a different logo, you are on the wrong site.

The real Jeet Spin page is easy to recognise once you know what to look for:

- The browser tab reads "Join in Jeet Spin!" and the logo shows a gold "Jeet" above a green "SPIN" slot reel.
- The page lists "Two Welcome Bonus" under its offers and "Play over 60+ Games and Win Cash" above the game tiles.
- Its links lead to jeetspin.com, the supportjeetspin.com live chat and the official social pages.

The download page also moves between numbered domains, such as jeetspin13.com and jeetspin20.com, which both show the same page today. The number can change again, so open it through the Download button on this guide instead of a forwarded link.

How to Download Jeet Spin APK

- Use the Download button near the top of this guide to reach the official "Join in Jeet Spin!" page.
- Press the download button there and wait until the APK file has fully saved.
- If Android warns about unknown apps, allow installs from Chrome, or whichever browser you used, in Settings.
- Open the saved file, tap Install, then launch Jeet Spin from your home screen.
- Sign up with your phone number and the OTP, then set a password you do not use anywhere else.

If the installer stops with an error, our APK install error fixes walk through the usual causes, and the Yono games APK guide covers every step in more detail.

Jeet Spin Welcome Bonuses

The official page names "Two Welcome Bonus" without printing any amounts. In this series that normally means a signup bonus that lands after registration, around ₹147 for Jeet Spin, followed by a bonus on your first recharge. Amounts can change and can differ from player to player, so read the offer screen inside the app before you add money.

Both parts arrive as bonus balance, not cash. You have to play through them under the app's wagering rule before any winnings from them can leave your wallet. Our Yono bonus guide has a worked example of what a bonus is worth after wagering.

Jeet Spin Withdrawals

Withdrawals start at ₹100 and go to the UPI ID or bank account saved in your wallet. Before the first request, check that the name on that account matches your profile, because a mismatch is one of the most common reasons a payout gets rejected. Request a small amount first and hold on to the order ID until the payout lands.

If a request sits in pending or comes back, message live chat with the order ID. Our withdrawal guide explains what each status means and how long to wait before you follow up.

Is Jeet Spin Safe?

The official page describes Jeet Spin as "100% Secure & Legal". Treat that as marketing. Like every Yono app, Jeet Spin holds no Indian licence, and real-money play is banned under the Promotion and Regulation of Online Gaming Act, 2025. Keep deposits small, do not read out an OTP or UPI PIN to anyone claiming to be support, and prove that a ₹100 withdrawal works before you trust the app with more. The red flags we watch for are collected in our real or fake checklist .

Pros and Cons

- Slots, Aviator and card tables in one 60+ game lobby
- Two welcome bonuses for new accounts
- Five official channels, including live chat
- Easy to mix up with JeetBuzz and Jeetwin
- The download page moves between numbered domains
- Real-money gaming is banned in India

Should You Install Jeet Spin?

If you already know Spin apps such as Yes Spin or Spin Winner , Jeet Spin will feel familiar from the first screen: the same wallet, a similar lobby and the same two-part welcome offer. Its real strengths are the mix of slots with Aviator and card tables, and a full set of support channels. Install it only from the official page, treat the welcome bonus as a trial rather than income and check the law where you live first. For more apps in this style, see our Yono slots games list.

What Players Say About Jeet Spin

See why players choose Jeet Spin through real experiences from our growing community.

I start with the game list. Jeet Spin highlights Rummy and lists 60+ games in the lobby, so I would check the exact table and rules before choosing a game.

On Jeet Spin, the page lists ₹147 signup bonus. I would read the eligibility, play-through and withdrawal conditions before treating the bonus as usable balance.

For cash-out planning, Jeet Spin lists a ₹100 minimum withdrawal and support through Live chat, Telegram, WhatsApp, Facebook, Instagram. I would confirm KYC and processing details before adding funds.
