Yono app behind the "Join in Ind Bingo!" page, with a ₹100 bonus, 60+ games and live chat support.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

The name suggests a bingo hall, but IND Bingo plays like the rest of the Yono family. Its official page opens with "Join in Ind Bingo!", offers "Get 100 Bonus" to new players and promises "Play over 60+ Games and Win Cash". The game tiles underneath are Rummy, Teen Patti, Texas Poker, Domino, Ludo, Dragon & Tiger, Andar Bahar and 7 Up Down, with slots in the lobby too.

So if you are searching for the IND Bingo APK expecting number cards and dabbers, know what you are getting: a card and casino app with a bingo name. This guide covers the official page, the bonus, withdrawals and how to install it safely.

The Official IND Bingo Page

IND Bingo uses the same white-label page as many Yono apps, and it runs that page on a long list of numbered domains, such as indbingo1.com and indbingo2.in, which all show the same content. Numbered mirrors keep the app reachable when one domain is blocked, but they also make it easy for copycats to slip in.

How to recognise the real page:

- The browser tab reads "Join in Ind Bingo!".
- The offer says "Get 100 Bonus" and the lobby headline says "Play over 60+ Games and Win Cash".
- Its contact links lead to live chat, the official_indbingo Telegram channel, a WhatsApp chat, Facebook and the IndbingoOfficial YouTube channel.

How to Download IND Bingo APK

- Tap the Download button near the top of this page to open the official "Join in Ind Bingo!" page.
- Press its download button and wait for the APK to finish.
- Allow installs from your browser if Android shows a warning.
- Open the APK, tap Install and launch IND Bingo.
- Register with your mobile number and OTP and look for the ₹100 bonus in your wallet.

Our Yono games APK guide explains each step in more depth.

IND Bingo Games

The official page lists eight headline games:

The 60+ total includes slots and other quick rounds. Card players will feel at home, while bingo fans may be disappointed by the name.

IND Bingo Bonus

New players get ₹100 as bonus balance, as advertised on the official page. Like every Yono welcome offer, it has to be played through under the app's wagering rule before winnings from it can be withdrawn. Read the rule on the bonus screen first, and see our Yono bonus guide for a worked example.

IND Bingo Withdrawals

The minimum withdrawal is ₹100, sent to a UPI ID or a bank account. Make sure the account name matches your profile, finish any wagering and keep the order ID. Late payouts are handled through live chat. Our withdrawal guide explains each status.

Is IND Bingo Safe?

IND Bingo has a genuine official page and five support channels, but it is not licensed in India, and real-money play is banned under the Promotion and Regulation of Online Gaming Act, 2025. Install only from the official page, never share your OTP or UPI PIN, and test a ₹100 withdrawal before depositing more. Our real or fake checklist lists the red flags.

- Official ₹100 bonus for new players
- 60+ games with the classic Yono card lobby
- Live chat, Telegram, WhatsApp, Facebook and YouTube
- Little actual bingo despite the name
- Many numbered mirror domains to check
- Real-money gaming is banned in India

Should You Install IND Bingo?

Install it if you want the familiar Yono card lobby with an advertised ₹100 bonus. If you came for the bingo, Bingo 101 is the other bingo-named app on our list, and our all Yono games page compares every type.
