OK Rummy

> **OVERVIEW**
>
> OK Rummy mixes rummy and Teen Patti in one simple app. See how the two games differ, how to get the ₹221 bonus and withdraw from ₹100 to UPI.

Download OK Rummy APK for Android

Simple rummy and Teen Patti app with a ₹221 bonus, 60+ games and four support channels.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Ask around in any Yono Telegram group and OK Rummy comes up often. It is a plain, no-frills rummy app: the OK Rummy APK gives you a lobby where rummy and Teen Patti are the two big games, with more than 60 titles in total. New players get a signup bonus of around ₹221, and you can withdraw from ₹100 once your winnings qualify.

OK Rummy (written "OKRummy" on its download page) also lists more support options than most of its sister apps: in-app live chat, a Telegram channel, WhatsApp and a Facebook page. If you have ever waited days for a stuck withdrawal, you know why that is worth noting.

Since rummy and Teen Patti are the reason most people install OK Rummy, this guide compares the two side by side, then covers installation, the bonus, withdrawals and fixes.

OK Rummy in a Nutshell

OK Rummy is an Android app from the Yono family. It is not on Google Play; you download it as an APK from the official website. Inside you will find 13-card rummy, Teen Patti, Texas Poker, Domino, Ludo, Dragon vs Tiger, Andar Bahar and 7 Up Down, along with the usual Yono wallet for UPI recharges and bank or UPI withdrawals.

Rummy or Teen Patti? How the Two Main Games Differ

If you like planning, rummy rewards it. Teen Patti is faster and more about nerve and bet size. Read our guide on how to play rummy before you play for money.

What OK Rummy Offers

- Around ₹221 signup bonus after mobile number verification.
- Rummy and Teen Patti as headline games, plus 60+ others.
- Four support channels : live chat, Telegram, WhatsApp and Facebook.
- ₹100 minimum withdrawal .
- Cashback promotions listed on the official page.

Download OK Rummy: Step by Step

- Press the blue Download button on this page to open the official OK Rummy site.
- Tap the site's download button once it has loaded. The APK will save to your phone.
- Allow your browser to install unknown apps when Android asks.
- Open the file and tap Install .
- Launch OK Rummy and sign in with your mobile number and OTP.

Getting an "App not installed" message? This guide explains every cause.

OK Rummy Login and Bonus

After OTP verification your account is ready, and the ₹221 signup bonus shows in the bonus section. Bonus money is for playing; to withdraw winnings from it you will normally need to complete a play-through requirement shown in the app. If OK Rummy runs a first-deposit offer when you join, read its terms before recharging, because larger deposit bonuses usually come with larger play-through targets.

How to Withdraw from OK Rummy

- Open the wallet and choose Withdraw .
- Add your bank account or UPI ID in your own name.
- Enter at least ₹100 and confirm.
- Keep the order ID for any follow-up with support.

Delays usually mean unfinished play-through, wrong bank details or a bank-side block. Our withdrawal guide explains each case.

Is OK Rummy Safe?

OK Rummy is a real app with several support channels, but no Indian authority licenses or checks it, and it sits outside the Play Store. Download only from the official site, keep deposits small, and never share your UPI PIN or OTP with anyone claiming to be from support. A slow or silent support team is a warning sign. See Yono games: real or fake? for more.

Pros and Cons

- Four support channels listed
- ₹221 bonus and ₹100 minimum withdrawal
- Strong mix of rummy and Teen Patti tables
- Bonus winnings need play-through first
- Not on Google Play
- Real-money gaming is restricted in India

Should You Install OK Rummy?

OK Rummy suits players who want a simple app with both rummy and Teen Patti and who value easy access to support. It is not different enough from its sister apps to justify running several at once, so pick one, start with the lowest tables and test a ₹100 withdrawal. Compare it with Money Rummy in our rummy apps list .

What You Need to Play OK Rummy

Check your phone before you download the OK Rummy APK. These are general recommendations for Yono apps, not official figures from OK Rummy.

OK Rummy FAQs (Frequently Asked Questions & Answers)

Around ₹221 (the amount credited can vary from player to player). It is bonus money that usually needs to be played through before winnings can be withdrawn.

OK Rummy is a real, working app with live chat, Telegram, WhatsApp and Facebook support listed. It is still unlicensed, so test a small withdrawal first.

OK Rummy offers real-money games, which are banned in India under the Promotion and Regulation of Online Gaming Act, 2025. The rules took effect on 1 May 2026, and banks can block related payments.

Rummy rewards planning and careful drops, while Teen Patti is faster and depends more on the deal. Beginners usually lose less at low-stake points rummy.

Usually an older version is installed or the download is incomplete. Uninstall the old app, free up storage and download the APK again.

- Important Legal Notice

India's Promotion and Regulation of Online Gaming Act, 2025 bans offering, advertising and processing payments for all online money games. Its rules came into force on 1 May 2026, and some states restricted these games even earlier. Check the law that applies to you before you download or deposit. Read our legal guide .

- Platform Disclaimer

Lets Play Yono is an independent guide. We do not own, run or control any app listed here, and we never handle player money. Real-money games carry financial risk and can be addictive, so play only if you are 18 or older, set a limit and stop when it stops being fun. Responsible gaming help .

What Players Say About OK Rummy

See why players choose OK Rummy through real experiences from our growing community.

I start with the game list. OK Rummy highlights Teen Patti and lists 60+ games in the lobby, so I would check the exact table and rules before choosing a game.

On OK Rummy, the page lists ₹221 signup bonus. I would read the eligibility, play-through and withdrawal conditions before treating the bonus as usable balance.

For cash-out planning, OK Rummy lists a ₹100 minimum withdrawal and support through Live chat, Telegram, WhatsApp, Facebook. I would confirm KYC and processing details before adding funds.
