Download Rani Slots APK for Android

Queen-themed slots app with a signup bonus, ₹100 UPI withdrawals and a lobby of reels and card games.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

"Rani" means queen, and the name sets up a royal theme. Underneath, Rani Slots is a Yono-style slots app: phone signup, one wallet, a signup bonus of around ₹151 and withdrawals from ₹100.

The tricky part is finding the real thing. Search for the Rani Slots APK and you will see a crowd of websites with "ranislots" in the address. Most are unofficial pages that promote the name, and some offer their own files. This guide explains how to get the genuine link and what to expect once you are in.

What Is Rani Slots?

Rani Slots is an Android gaming app installed as an APK file, outside the Google Play Store. As the name says, the lobby is built around slot games. You register with a mobile number and OTP, and payouts go to UPI or a bank account.

Unofficial Rani Slots Websites

A popular app name attracts websites that borrow it. Pages called "Rani Slots casino" or "Rani Slots APK download" often quote their own bonus figures, link to unrelated casinos or offer modified files. Before you download, check:

- Where the link came from. Use the Download button on this page or another source you trust, not a search ad.
- The installer name. It should say Rani Slots. Cancel if it shows anything else.
- The bonus claims. If a page promises thousands of rupees just for installing, it is not the official one.

How to Download Rani Slots APK

- Tap the Download button near the top of this page.
- Open it, check the name and logo, then download the APK.
- Allow your browser to install unknown apps when prompted.
- Install the file and open Rani Slots.
- Register with your mobile number and OTP to receive the signup bonus.

Rani Slots Bonus

The signup bonus is around ₹151, and the exact figure can vary by player. It arrives as bonus balance with a wagering rule, which you must complete before winnings from it can be withdrawn. Read the bonus screen first, then see our Yono bonus guide for how wagering adds up.

Rani Slots Withdrawals

Withdrawals start at ₹100. Use a UPI ID or bank account in your own name, request a small amount first and keep the order ID. Our withdrawal guide explains pending and rejected payouts.

Is Rani Slots Safe?

The biggest risk with Rani Slots is installing the wrong file from one of the many lookalike pages. Beyond that, the usual rules apply: no OTP or UPI PIN sharing, small first deposits and a test withdrawal. The app is not licensed in India, where real-money games are banned under the Promotion and Regulation of Online Gaming Act, 2025. Read our real or fake checklist .

- Slots-first lobby
- Signup bonus for new players
- Withdrawals from ₹100 to UPI
- Many unofficial websites use the name
- Slots use up a balance quickly
- Real-money gaming is banned in India

Should You Try Rani Slots?
