What is Rummy 365?

Rummy 365 is an online gaming platform designed exclusively for rummy enthusiasts, operating 365 days a year. True to its name, the platform promises to deliver exciting rummy matches every single day. Based on the classic 13-card rummy rules, Rummy 365 seamlessly blends the traditional card game with modern mobile technology, allowing players to compete against real users from across the country anytime, anywhere.

As a game of skill, Rummy is legally operated in most Indian states. Thanks to its seamless user experience, fair competitive environment and transparent withdrawal system, Rummy 365 has rapidly grown to become one of the preferred gaming platforms for Rummy enthusiasts in India. With over 10,000 live matches taking place every day, you're sure to find a suitable opponent whenever you log in.

App Features

- Tournaments all year round : Cash tournaments run 24 hours a day, from morning tournaments for beginners to late-night games for experts – there's always one to suit you.
- Multiple Rummy Variants : Supports Points Rummy, Pool Rummy and Deals Rummy to cater to different strategic preferences.
- Smart Matching System : Intelligently matches you with opponents of similar skill levels based on your skill rating and game history, ensuring fair competition.
- Real-time Anti-Cheat Monitoring : Utilises an AI behavioural analysis system to detect and prevent cheating behaviours such as illegal teaming and bots in real time.
- Instant Withdrawals : Our unique 'Instant Withdrawal Channel' ensures winnings are credited in as little as 15 minutes.
- Daily Tasks and Achievements : Complete daily challenges to unlock achievements and win extra bonuses and exclusive profile frames.

How to download and install Rummy 365

- Click the download button : Click the 'Download Rummy 365 APK' button at the top of the page, and the system will automatically start downloading the installation package.

- Allow installation from unknown sources : If this is your first time installing a third-party app, please go to ‘Settings’ → ‘Security’ on your phone and enable ‘Allow installation from this source’ (some phones will prompt you to do this automatically during installation).
- Open the installation package : Once the download is complete, locate the Rummy 365 APK file in your notification bar or file manager, then tap to begin installation.
- Complete installation and registration : Once installation is complete, open the app and register using your mobile number to claim your ₹51 welcome bonus.

How to log in to Rummy 365

- Open the Rummy 365 app and tap the ‘Log In’ or ‘Sign Up’ button.
- Enter your mobile number and tap ‘Send OTP’.
- Enter the verification code received via text message into the app to complete the login process—no need to remember a password, making it quick and convenient.
- Once logged in, we recommend that you complete your KYC verification as soon as possible (by submitting your Aadhaar card, PAN card, and linking your UPI ID and bank account) to ensure smooth withdrawals later on.

Rummy 365 Withdrawal Rules

On the Rummy 365 app, the minimum withdrawal amount is ₹100. This threshold is in line with most similar apps, allowing new players to easily experience the joy of withdrawing their winnings. Please note that only funds won through gameplay can be withdrawn; bonus balances awarded by the platform cannot be withdrawn directly and must be used to continue playing, although any funds won whilst using these bonuses can be withdrawn as normal.

Rummy 365 has exclusively launched a ‘Flash Withdrawal Channel’, with withdrawal requests for winnings typically processed within 15 minutes to 2 hours, which is significantly faster than the industry average. In the event of bank system delays, the maximum waiting time may be 24 hours. If a withdrawal fails, the funds will be automatically returned to your game wallet within 24 hours. We recommend that you first check the status in your ‘Transaction History’. If the funds have not been credited after 24 hours, please contact our Customer Service Centre at any time for assistance.

Join 100,000 Indian players and earn cash rewards every day!

Rummy 365 is an online rummy gaming platform that operates 365 days a year, dedicated to providing Indian players with a high-quality rummy gaming experience. The ‘365’ in the platform’s name signifies that there are exciting tournaments and games every single day, allowing players to join cash games and tournaments at any time to win real cash prizes.

New users will receive a ₹51 welcome bonus upon registration, with no deposit required. Once you have successfully registered, the bonus will be automatically credited to your gaming account. In addition, the platform offers daily ‘Check-in Rewards’ and ‘First Deposit Match’ promotions, and you can claim additional bonus codes by joining our Telegram group.

Rummy 365 offers three main game modes:

- Point Rummy: Fast-paced games with a fixed point value per round, ideal for beginners to practise.
- Pool Rummy: Players pay a fixed entry fee to form a prize pool, with winnings distributed according to ranking.
- Contract Rummy: A multi-round tournament where players win by fulfilling specific contract conditions. You can choose to start playing at free practice tables or cash tables, depending on your skill level.

Rummy 365 supports the major local payment methods in India, including UPI, Paytm, PhonePe, Google Pay and bank transfers. Deposits are credited instantly, whilst withdrawals can be made via UPI or to a bank account.

You must complete KYC verification (by submitting your Aadhaar card, PAN card and linking a bank account) before making a withdrawal. The minimum withdrawal amount is ₹100. Only funds won through gameplay can be withdrawn; bonus balances awarded by the platform cannot be withdrawn directly, but funds won using these bonuses can be withdrawn as normal.

Rummy has been classified by the Supreme Court of India as a game of skill and is therefore legal in most Indian states. However, please note that restrictions may apply in states such as Assam, Odisha, Telangana and Tamil Nadu; please ensure that participation is permitted in your region. The game employs encryption technology and a real-time behaviour monitoring system to ensure fairness, and is restricted to players aged 18 and over. Please gamble responsibly and within your means.
