> Download the latest Rummy Gold APK and claim a ₹51 signup bonus. Rummy Gold offers points, pool and deals rummy with instant UPI withdrawals.

Rummy Gold is a classic-styled 13-card rummy app covering points, pool and deals, with a focus on instant UPI withdrawals. Its gold branding aside, it is a no-frills cash-rummy table app for players who just want reliable games and quick payouts. A signup bonus applies to your first games.

Points, pool and deals

All three mainstream rummy formats are available from one lobby.

Instant UPI withdrawal

Verified players cash out to UPI without a manual settlement delay.

Certified shuffle

Cash tables use an RNG shuffle with standard fair-play monitoring.

Claim your ₹51 Rummy Gold signup bonus

New players only · credited instantly after registration

How to download Rummy Gold

- Tap the Download APK button to get the latest Rummy Gold file.
- Open the file and allow “install from unknown sources” on Android.
- Launch the app and sign up with your mobile number.
- Your ₹51 signup bonus is credited automatically — start playing.

Rummy Gold — frequently asked questions

For verified accounts, UPI withdrawals are typically processed within minutes of the request.

Yes, practice tables use free chips, and the signup bonus lets you try cash tables without depositing.
