Description

Rummy Guru is a mobile gaming app that lets users play online Rummy and Teen Patti. You can enjoy casual play for fun or compete for real cash prizes directly from your phone. If you prefer Teen Patti, that game is available as well — simply download the Rummy Guru APK using the button on the page.

The app was recently released by a developer that has launched other similar apps before, which suggests it's a legitimate product and that payouts are handled on schedule.

About the APK

Rummy Guru's APK appears to be a rebranded or modified version of the Rummy Fire app. Internally it uses the same system and, in practice, creating an account on Rummy Guru may log you into the Rummy Fire environment. In short: Rummy Guru looks like a renamed variant of Rummy Fire rather than a completely new platform.
