- Rummy King cash listing vs the Play Store card game
- What to match on a cash install
- KYC and payout notes
- Vs Zip and Wealth

This page is the cash-style Rummy King row we track: version 6.8.7 , 79.5 MB , advertised up to â‚¹75 , floor â‚¹100 . That low ceiling vs â‚¹100 floor needs live-screen math – a welcome alone may not open Withdraw.

Google Play / Witty Games distributes a non-cash card & slots entertainment app under a similar name (package com.wittygames.rummyking , roughly ~30 MB on public records). That is a different product. We omit a Play button on this page on purpose.

Size near 79.5 MB, version near 6.8.7, offer near â‚¹75, floor near â‚¹100, and a package string that is not the Play id above. Keep App info screenshots.

Directory rows usually describe phone OTP sign-up and PAN/bank proof before first cash-out. Match UPI holder name to registration.

Rummy Zip is high-ceiling mid-size. Rummy Wealth is tiny welcome + odd â‚¹13 floor. King is the heavy cash-style row with an explicit Play collision warning. Re-check: 28 Oct 2026. 18+ only.

What the listing supports

- Explicit cash vs Play collision documented.
- Concrete version 6.8.7 and 79.5 MB size.
- Low â‚¹75 ceiling reduces oversell vs â‚¹500 banners.
- Play CTA omitted on purpose.

Limits of this listing

- Cash package not install-confirmed.
- Single reference directory in our trio.

- Low â‚¹75 ceiling vs â‚¹100 floor needs live-screen math.
- Brand name widely reused.

Listing snapshot

Compare this listing: withdrawal thresholds Â· all Rummy apps

What the Rummy King numbers can tell you

Rummy King lists a withdrawal floor of â‚¹100 and an advertised ceiling of â‚¹75. The floor is higher than the headline, so the two numbers cannot both describe the same balance.

The listed file is 79.5 MB, 35.3 MB larger than the Rummy median of 44.3 MB.

The listing names version 6.8.7. If the file you receive shows a different version on first launch, treat that as a different build of Rummy King.

One of the three directories we compare has a page for this name. A second page quoting the same size and the same â‚¹75 is the cross-check this listing does not have.

Offer screens sometimes hide the wagering multiple. Copy that number from Rummy King before you treat â‚¹75 as cash. How wagering works .

Figures come from public listing snapshots we re-check. They are advertisements, not a payout we watched.

Things to check before you install

Check level: Standard Rummy King has a check level of standard (3 of 9 on our checklist).

What we noticed in the listing

- Format: card or board game with some player decisions
- Listed on 1 of 3 reference directories we compare

Worth knowing

- Installing the Play card APK will not open this cash lobby.
- â‚¹75 welcome may not clear a â‚¹100 floor alone.

Details that would help

- A second independent directory listing the same package name and size
- A withdrawal result for Rummy King that you can see in the app

Based on listing data and public information. How check levels work Â· Report or correct

Lean checklist for Rummy King

- Download only from a host you can name. Listed size for Rummy King is 79.5 MB â€” a large gap is a stop sign.
- Confirm version 6.8.7 (or note the update) and the package name in App info. Listings say: phone OTP; PAN/bank proof usually before first cash-out
- Screenshot the offer (Up to â‚¹75) and the Withdraw floor (â‚¹100) before any deposit. Match UPI or bank holder name to registration. Try a low-stake or practice table first to see fee and rake lines.

No. Witty Games Play title is a free/power-up card and slots entertainment app around ~30 MB. This page is the cash-style directory row.

Because the Play product is not this cash lobby.

28 Oct 2026.
