The Rs.51 join credit on Rummy Loot

Rummy Loot lists Rs.51 as its join offer. The figure belongs to the welcome context, so it describes the credit attached to creating a new account. The card keeps the sign-up line separate from the payout line, which makes the Rs.51 easy to read for what it is: an opening offer, nothing more.

The minimum payout on the card is ₹100, and that number applies to withdrawal requests. Payment routes are listed as UPI and wallet, with no further brands named in the listing. The sign-up and payout figures are thus two separate entries with two separate roles.

The Rs.51 stays with sign-up, and the ₹100 stays with withdrawals, each written exactly as the card lists it.
