Rummy Mars is a cash-rummy app that leans into tournaments and referral rewards, aimed at players who want events rather than only casual tables. It runs the usual 13-card formats with a steady schedule of paid tournaments. A signup bonus is granted on your first registration.

Tournament focus

Regular paid tournaments with prize pools sit alongside standard cash tables.

Referral rewards

Referral cash and event tickets stack on top of the signup bonus.

Fast cashout

Winnings settle to UPI or bank quickly once your account is verified.
