Download VIP Rummy APK for Android

Rummy-first Yono app with two welcome bonuses, cashback, 60+ games and round-the-clock support.

18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

VIP Rummy puts the card table first. Its official page opens with "Join in VIP Rummy!", promises "365 days of non-stop cash drops" and lists "Two Welcome Bonus" under its offers. Behind the green and gold crown logo sits a lobby of 60+ games led by 13-card rummy, with Teen Patti, slots and Aviator close behind.

The name causes some confusion, because several apps on our list carry "VIP": Yono VIP , Diwa VIP and Neta VIP among them. This guide is only about the VIP Rummy APK : how to install it, what the two welcome bonuses are worth, how withdrawals work and how to reach support.

What Is VIP Rummy?

VIP Rummy is an Android gaming app that you install as an APK from its official website, because it is not on the Google Play Store. The official page describes it as a place to play "slots, Rummy, Teenpatti, Aviator, and more". Its featured tiles are Rummy, Teen Patti, Texas Poker, Domino, Ludo, Dragon & Tiger, Andar Bahar and 7 Up Down.

You register with a mobile number and OTP, keep one wallet for every game and withdraw to UPI or a bank account. The share card also mentions a referral reward: joining with a friend's referral code adds 100 coins.

Why Players Pick VIP Rummy

The official page lists its own reasons under "Why Players Choose VIP Rummy":

- Cashback on play, on top of the welcome offer.
- 24x7 customer support through live chat on supportviprummy.com.
- Two welcome bonuses for new accounts.
- 365 days of cash drops , the year-round promotions this app family is known for.

Add a ₹100 minimum withdrawal and five official channels (live chat, a Telegram channel list, a WhatsApp channel, Facebook and Instagram), and you have the full picture.

How to Download VIP Rummy APK

- Tap the Download button near the top of this page to open the official "Join in VIP Rummy!" page.

- Press the download button there and wait until the APK has fully saved.
- If Android warns about unknown apps, allow installs from your browser in Settings.
- Open the file, tap Install and launch VIP Rummy.
- Sign up with your mobile number and OTP. If a friend invited you, enter their referral code during signup.

Errors such as "App not installed" are covered in our APK install error fixes .

VIP Rummy Welcome Bonuses

The official page says "Two Welcome Bonus" without printing the amounts. In this app family that means a signup bonus after registration, around ₹133 for VIP Rummy, followed by a bonus on your first recharge. Amounts can vary by player, so check the offer screen before you add money.

Both parts land as bonus balance. You play them through under the app's wagering rule before any winnings from them can be withdrawn. Our Yono bonus guide works through an example.

Playing Rummy on VIP Rummy

A bonus lasts longest at the rummy tables if you play patiently:

- Build your pure sequence first; you cannot declare without it.
- Drop high-value cards that are not part of a run or set.
- Use the first drop on a weak opening hand.
- Start on low-stake tables until you know the pace of the room.

New to the game? Our how to play rummy guide covers sequences, sets and scoring.

VIP Rummy Withdrawals

Withdrawals start at ₹100 to a UPI ID or bank account in your own name. Finish any bonus wagering first, request a small amount and keep the order ID until it lands. If a payout stays pending, live chat is the fastest route. The withdrawal guide explains each status.

Is VIP Rummy Safe?

The official page calls the app "Secure & Legal", but treat that as marketing. VIP Rummy holds no Indian licence, and real-money rummy is banned under the Promotion and Regulation of Online Gaming Act, 2025. Install only from the official page, never share an OTP or UPI PIN, and prove that a ₹100 withdrawal works before you deposit more. Our real or fake checklist lists the warning signs.

- Rummy-first lobby with 60+ games
- Two welcome bonuses plus cashback
- 24x7 live chat and four social channels
- Easy to confuse with other VIP-named apps

- Official domain number can change
- Real-money gaming is banned in India

Should You Install VIP Rummy?

If rummy is your main game and you want a familiar Yono wallet with cashback on top, VIP Rummy is a solid pick. Compare it with the other rummy-first apps on our rummy apps list before you decide.

What Players Say About VIP Rummy

I start with the game list. VIP Rummy highlights Andar Bahar and lists 60+ games in the lobby, so I would check the exact table and rules before choosing a game.

For cash-out planning, VIP Rummy lists a ₹100 minimum withdrawal and support through Live chat, Telegram, WhatsApp, Facebook, Instagram. I would confirm KYC and processing details before adding funds.
