18+ only. Real-money games carry financial risk. Read the legal notice at the end of this page.

Yono Rummy is one of the names that gave the whole Yono family its label, and it is still one of the most searched. The official download page calls itself "yonorummy (yono rummy) official website", and the Yono Rummy APK it offers installs a rummy-first lobby with Teen Patti and casino games, a ₹166 signup bonus and withdrawals from ₹100.

Because the name is so popular, it is also the most copied. Searching "Yono Rummy" can turn up look-alike pages, old APK mirrors and apps with similar names on the Play Store. Below, we show you how to get the real app, how it compares with other rummy apps in the family, and how the bonus and withdrawals work. Yono Rummy is also listed among the new additions on our new Yono games page.

Yono Rummy has the largest set of official channels we have seen: an official app site, a help site, Telegram, WhatsApp, YouTube, Facebook, Instagram and X.

Playing Rummy on Yono Rummy

New to 13-card rummy? Build a pure sequence first, keep a second sequence ready, use jokers only in impure sequences or sets, and drop weak opening hands early. Those four habits prevent most beginner losses. Our how to play rummy guide explains the rules and scoring in full.

Yono Rummy Withdrawals

- Open the wallet and tap Withdraw .
- Add a bank account or UPI ID in your own name.
- Request ₹100 or more.
- Keep the order ID until the money arrives.

If a withdrawal stays pending, contact the help site with your order ID and read our withdrawal guide .

Is Yono Rummy Safe?

The official Yono Rummy is a real app with an unusually large support network. It is still unlicensed in India and outside the Play Store, and its popularity means fake copies are everywhere. Download only through official links, keep deposits small, test a ₹100 withdrawal and never share your OTP or UPI PIN. Our guide on whether Yono games are real or fake covers the warning signs.

Pros and Cons

- One of the best-known names in the Yono family
- Eight official channels, including a help site
- ₹166 bonus and ₹100 minimum withdrawal
- Popular name means many fake copies
- Bonus play-through before withdrawal
- Real-money gaming is restricted in India
