- Table of Contents

Top highlights

- The most realistic rummy experience on mobile — feels just like playing with real cards.
- Install now and receive 400,000 free chips as a welcome bonus.
- Get free bonus chips every 4 hours so you never run out of play money.
- Play with millions of Indian rummy players around the clock.
- Optimized for low-data connections (works smoothly on 2G and 3G).
- Choose from popular variants: Classic Rummy, Bet Rummy, and Deals Rummy.

Game types

- Classic Rummy: Face off against top rummy players if you love traditional play and strategy.
- Bet Rummy: Confident in your hand? Increase the bet on your turn — higher stakes, bigger wins.
- Deals Rummy: Play simultaneous rounds with multiple online opponents for fast, exciting action.

How to play (basic rules)

- Players: 2 to 5 per table.
- Decks: Two standard 52-card decks (A, 2–10, J, Q, K).
- Each player receives 13 cards.
- Goal: Arrange all 13 cards into valid sequences and/or sets . Sequence: Three or more consecutive cards of the same suit (e.g., 5♥ 6♥ 7♥). Set: Three or more cards of the same rank from different suits (e.g., 3♥

3♠ 3♣ or 7♥ 7♠ 7♣ 7♦).

- Sequence: Three or more consecutive cards of the same suit (e.g., 5♥ 6♥ 7♥).
- Set: Three or more cards of the same rank from different suits (e.g., 3♥ 3♠ 3♣ or 7♥ 7♠ 7♣ 7♦).
- Joker: A card is randomly chosen as the joker at the start of each game and can substitute for any missing card in a set or sequence (for example, 5♥ Joker 7♥ completes 5♥ 6♥ 7♥). You may use one or more jokers to complete melds.
- Pure sequence: A sequence formed without using any joker. (Note: if the randomly selected joker happens to be the actual natural card in the sequence—e.g., 5♥ 6♥ 7♥ where 6♥ is the chosen joker—the sequence still counts as pure.)
- Mandatory requirement: To declare and finish, you must have at least two sequences , and at least one of them must be a pure sequence.

Ready for nonstop rummy fun? Download Ultimate Rummy and start playing now!

About Ultimate Rummy

Ultimate Rummy is a free Android app in the Card Games category (Games & Entertainment). The app is associated with Games24x7 and published by U-Games. The current app build is version 1.11.33 .

The app was first listed on our site on April 26, 2023 , and has been downloaded 466 times from this listing. While we have checked the download link for safety, we still recommend scanning any downloaded APK with your antivirus software. If a download link is broken or corrupted, antivirus programs may flag the file — so please verify before installing.

How to install Ultimate Rummy on Android

- Click the Continue To App button on the listing page — this will take you to the Google Play Store.
- On the Play Store page for Ultimate Rummy, tap the Install button next to the app icon.
- A permissions prompt will appear listing the access the app requires — tap Accept to proceed.
- The app will download (you'll see progress). Once the download finishes, installation begins automatically, and you'll receive a notification when it's ready to open.

What's new

Minor bug fixes and performance improvements.
